SPRINT 3 : DASHBOARD EXPLORATION AND CREATION

OPEN IBM COGNOS ANALYTICS :

The screenshot displays the IBM Cognos Analytics with Watson dashboard. The top navigation bar includes the IBM logo, a search bar, and user profile information for Suresh K. The main content area features a welcome message and a 'Quick launch' section with four primary actions: Upload data, Prepare data, Exploration, and Present data. The bottom of the screen shows a Windows taskbar with various application icons and system status information.

Quick launch

Upload data
Upload or drag and drop spreadsheets, csv files, and other data sources.

Prepare data
Use data modules to clean and connect data from multiple resources.

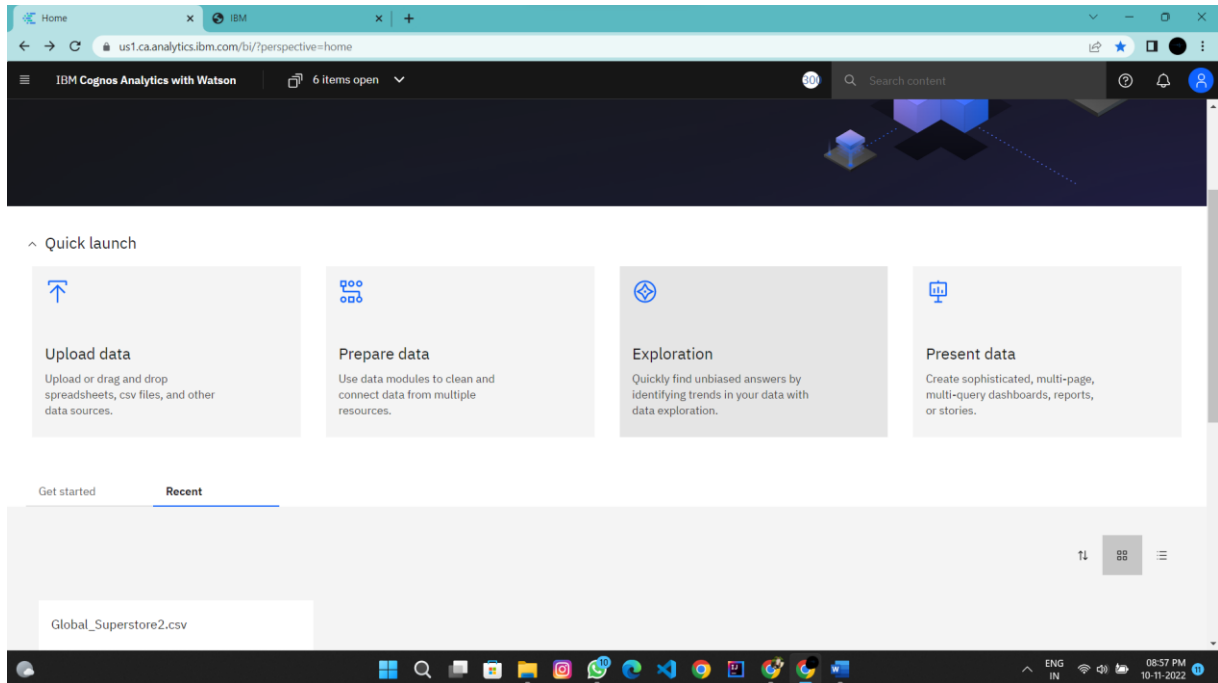

Exploration
Quickly find unbiased answers by identifying trends in your data with data exploration.

Present data
Create sophisticated, multi-page, multi-query dashboards, reports, or stories.
